About Foremount

Company Profile

Foremount Enterprise Co., Ltd has been highly regarded as leading designer and manufacturer of medical products. Foremount was founded in 1996 with confidence and value, and it operates throught a portfolio of diversified products including Anesthesia, Respiratory, Emergency, Airway Management and Breathing Circuit system products. We have clients all over the world; widely covering Europe, South America, North America, Oceania, Asia and Middle East.

OEM & ODM Service

Foremount provides OEM and ODM service with total solution including design, molding, tooling and assembly which assist you to find the best product that accommodates your unique requirement. We build up reliable reputation and strong industrial credit by listening to our clients' demand and making ultimate effort to achieve every commitment.

Certification & Accreditation

In 1999, ISO 13485 is granted; CE2460, GMP, FDA device listing and 510k are successively achieved throughout these years. Every product is strictly manufactured according to industrial benchmark, therefore quality is highly guaranteed.

Child Corrugated Tubing System
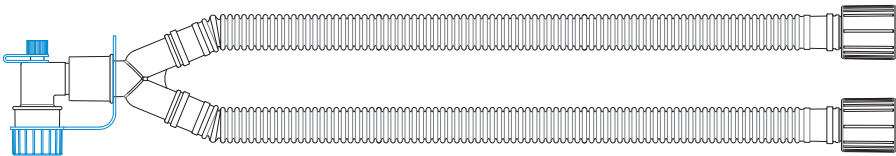

Code	Description
1511101	15mm Corrugated Tubing System, 1.5M Length
1511102	15mm Corrugated Tubing System, 2.0M Length
1511103	15mm Corrugated Tubing System, 3.0M Length
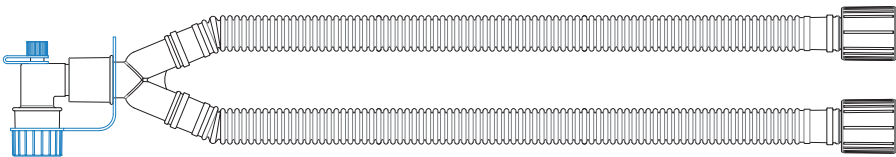

Code	Description
1511104	15mm Corrugated Tubing System with 1.0M Limb, 1.5M Length
1511105	15mm Corrugated Tubing System with 1.0M Limb, 2.0M Length
1511106	15mm Corrugated Tubing System with 1.0M Limb, 3.0M Length
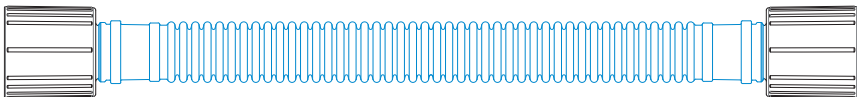

Code	Description
1511107	15mm Single Limb, 1.0M Length
1511108	15mm Single Limb, 1.5M Length
1511109	15mm Single Limb, 2.0M Length

Corrugated Tubing
Adult Corrugated Tubing System
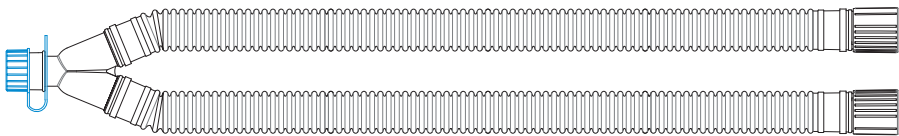

Code	Description
1511201	22mm Corrugated Tubing System, 1.5M Length
1511202	22mm Corrugated Tubing System, 2.0M Length
1511203	22mm Corrugated Tubing System, 3.0M Length
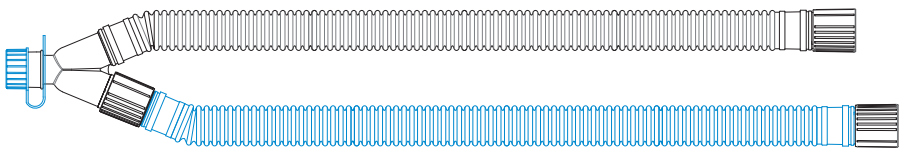

| Code	Description
1511204	22mm Corrugated Tubing System (1 removable limb), 1.5M Length
1511205	22mm Corrugated Tubing System (1 removable limb), 2.0M Length
1511206	22mm Corrugated Tubing System (1 removable limb), 3.0M Length
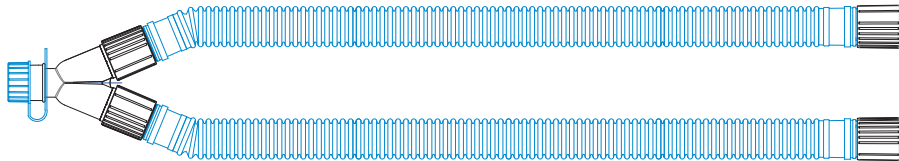

Code	Description
1511207	22mm Corrugated Tubing System (2 removable limbs), 1.5M Length
1511208	22mm Corrugated Tubing System (2 removable limbs), 2.0M Length
1511209	22mm Corrugated Tubing System (2 removable limbs), 3.0M Length
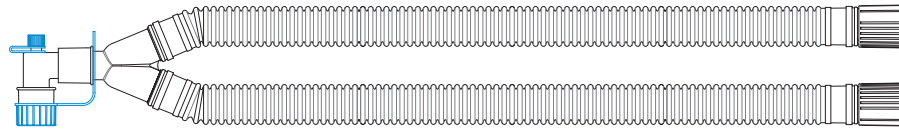

| Code	Description
1511210	22mm Corrugated Tubing System with Elbow, 1.5M Length
1511211	22mm Corrugated Tubing System with Elbow, 2.0M Length
1511212	22mm Corrugated Tubing System with Elbow, 3.0M Length
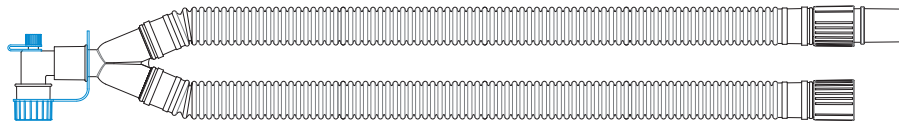

| Code	Description
1511213	22mm Corrugated Tubing System with Elbow and Straight Connector, 1.5M Length
1511214	22mm Corrugated Tubing System with Elbow and Straight Connector, 2.0M Length
1511215	22mm Corrugated Tubing System with Elbow and Straight Connector, 3.0M Length

| Code	Description
1511216	22mm Corrugated Tubing System with Elbow (1 removable limb), 1.5M Length
1511217	22mm Corrugated Tubing System with Elbow (1 removable limb), 2.0M Length
1511218	22mm Corrugated Tubing System with Elbow (1 removable limb), 3.0M Length

Code	Description
1511219	22mm Corrugated Tubing System with Elbow (2 removable limbs), 1.5M Length
1511220	22mm Corrugated Tubing System with Elbow (2 removable limbs), 2.0M Length
1511221	22mm Corrugated Tubing System with Elbow (2 removable limbs), 3.0M Length

| Code	Description
1511222	22mm Single Limb, 1.0M Length
1511223	22mm Single Limb, 1.5M Length
1511224	22mm Single Limb, 2.0M Length

| Code	Description
1511225	22mm Corrugated Tubing System with 1.5M Limb, 2.0M Length
1511226	22mm Corrugated Tubing System with 2.0M Limb, 2.0M Length
1511227	22mm Corrugated Tubing System with 3.0M Limb, 3.0M Length

| Code	Description
1520101	15mm Corrugated Tube, cuffed at 0.15M, total 30M Length
1520102	22mm Corrugated Tube, cuffed at 0.15M, total 30M Length

Collapsible Tubing
Child Collapsible Tubing System

| Code	Description
1512101	15mm Collapsible Tubing System, 1.5M Length
1512102	15mm Collapsible Tubing System, 2.0M Length
1512103	15mm Collapsible Tubing System, 3.0M Length

| Code	Description
1512104	15mm Collapsible Tubing System with 1.0M Limb, 1.5M Length
1512105	15mm Collapsible Tubing System with 1.0M Limb, 2.0M Length
1512106	15mm Collapsible Tubing System with 1.0M Limb, 3.0M Length

| Code	Description
1512107	15mm Collapsible Single Limb, 1.0M Length
1512108	15mm Collapsible Single Limb, 1.5M Length
1512109	15mm Collapsible Single Limb, 2.0M Length

Collapsible Tubing
Adult Collapsible Tubing System

Code	Description
1512201	22mm Collapsible Tubing System, 1.5M Length
1512202	22mm Collapsible Tubing System, 2.0M Length
1512203	22mm Collapsible Tubing System, 3.0M Length

| Code	Description
1512204	22mm Collapsible Tubing System (1 removable limb), 1.5M Length
1512205	22mm Collapsible Tubing System (1 removable limb), 2.0M Length
1512206	22mm Collapsible Tubing System (1 removable limb), 3.0M Length

Code	Description
1512207	22mm Collapsible Tubing System (2 removable limbs), 1.5M Length
1512208	22mm Collapsible Tubing System (2 removable limbs), 2.0M Length
1512209	22mm Collapsible Tubing System (2 removable limbs), 3.0M Length

Code	Description
1512210	22mm Collapsible Single Limb, 1.0M Length
1512211	22mm Collapsible Single Limb, 1.5M Length
1512212	22mm Collapsible Single Limb, 2.0M Length

Code	Description
1512213	22mm Collapsible Tubing System with 1.5M Limb, 2.0M Length
1512214	22mm Collapsible Tubing System with 1.5M Limb, 3.0M Length
1512215	22mm Collapsible Tubing System with 2.0M Limb, 3.0M Length

Neonatal Resuscitation Circuit

Code	Description
1511002	10mm Neonatal Resuscitation Circuit Pink, 1.0M Length
1511004	10mm Neonatal Resuscitation Circuit Pink, 1.5M Length

Child Corrugated Tubing System

Code	Description
1511110	Mapleson F T-piece System with Sampling Port

Adult Coaxial System

Code	Description
1513201	Adult Coaxial System with 0.6M Collapsible Limb , 1.5 Length
1513202	Adult Coaxial System with 0.6M Collapsible Limb , 2.0 Length
1513203	Adult Coaxial System with 0.6M Collapsible Limb , 3.0 Length

BiPAP Tube
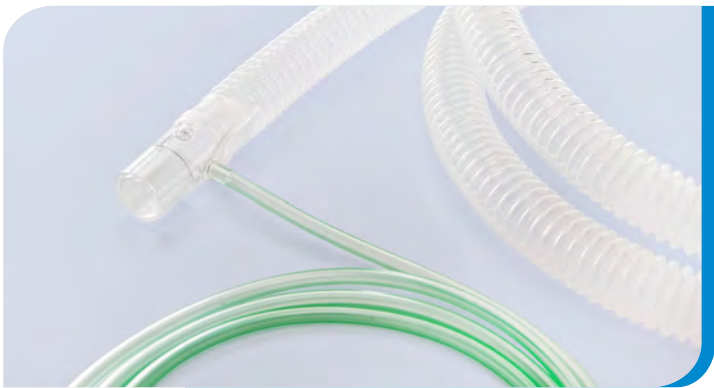

Code	Description
1520201	BiPAP Tube,with exhilation port

Catheter mounts

Code	Description
1514101	22mm Corrugated Tube with 22M/15F Connector
1514102	22mm Corrugated Tube with Swivel Elbow
1514103	15mm Corrugated Tube with Swivel Elbow
1514104	22mm Collapsible Tube with 22M/15F Connector
1514105	22mm Collapsible Tube with Swivel Elbow
1514106	15mm Collapsible Tube with Swivel Elbow

Smoothbore Tube

【materials of PVC / TPE are available】

Code	Description
1515101	15mm Smoothbore Tube, 0.8M Length
1515102	15mm Smoothbore Tube, 1.6M Length
1515201	22mm Smoothbore Tube, 0.8M Length
1515202	22mm Smoothbore Tube, 1.6M Length

Reservoir Bag

Code	Description
1580120	0.5L Reservoir Bag with 15mm Neck, Latex Free
1580150	0.5L Reservoir Bag with 22mm Neck, Latex Free
1580121	1.0L Reservoir Bag with 15mm Neck, Latex Free
1580151	1.0L Reservoir Bag with 22mm Neck, Latex Free
1580152	2.0L Reservoir Bag with 22mm Neck, Latex Free
1580153	3.0L Reservoir Bag with 22mm Neck, Latex Free

BV filter

Code	Description
1540102	BV filter, Size Adult

HMEF

Code	Description
1540204	HMEF, Size Adult

HME

Code	Description
1540304	HME, Size Adult

HME

Code	Description
1540303	HME-Tracheostomy, Size Adult

Water Trap

Code	Description
1590201	22OD; 22OD

Water Trap

Code	Description
1590202	15OD/ 15OD
1590203	19OD/ 19OD
1590204	22OD/ 22OD

Y Connector

Code	Description
1530301	22OD/15ID; 22OD with cuffs

Code	Description
1530302	22OD/15ID; 22OD with one cuff

Code	Description
1530303	22OD/15ID; 22OD without cuff

Code	Description
1530307	22OD/15ID; 15OD with cuffs

Code	Description
1530308	22OD/15ID; 22OD without cuff, with temperature port

Straight Connector

Code	Description
1530101	22OD/15ID; 22OD/15ID (PC)

Code	Description
1530102	22ID; 15OD

Code	Description
1530103	22ID; 22OD

Code	Description
1530106	22OD

Code	Description
1530107	18ID

Code	Description
1530108	19OD; 6OD

Straight Connector

Code	Description
1530110	18ID; 19OD

Code	Description
1530111	22ID; 6OD

Code	Description
1530113	22OD; 22OD/15ID (with exhilation port)

Code	Description
1530114	15OD;15OD (PC)

Code	Description
1530115	22OD/15ID; 22OD (PP)

Code	Description
1530116	22ID;22ID (PC)

Code	Description
1530117	22ID;30OD (PC)

Code	Description
1530118	22ID;22OD with one way valve, flow direction to 22ID

Code	Description
1530119	22ID;22OD with one way valve, flow direction to 22IOD

Code	Description
1530120	22ID;22OD without one way valve

L Connector

Code	Description
1530201	22OD/ 15ID; 15OD (w/o Safety Cap)

Code	Description
1530202	22OD/15ID; 15OD (w/ Safety Cap)

T Connector

Code	Description
1530401	22OD;18ID; 22ID

Cap

Code	Description
1530601	Gas Sampling cap

Code	Description
1530602	Temperature Sampling cap

Code	Description
1530603	Safety cap 22ID

Adaptor

Code	Description
1530801	Adaptor - MDI and SMI

Memo

Other

Nasal Aspirator

Baby Silicone Toothbrush

MRI Compatible Valve

Nose Clip

Valve Membrane

Nasal Aspirator

Code	Description
9010001	Nasal Aspirator

Baby Silicone Toothbrush

Code	Description
9010002	Baby Silicone Toothbrush

MRI compatible Valve

Code	Description
9010003	MRI compatible Valve

Nose Clip

Code	Description
1490101	Nose Clip

Valve Membrane

Code	Description
NA	Valve Membrane

Future Perspective

Dealing with medical products upon which people's lives could depend on is a serious business. Providing the medical products which surpass all required levels of quality and design is a must in our industry. With such rigorous and stringent requirements, only fully dedicated companies are able to respond to demands from the medical field.

Foremount is one such supplier. One of the few to put quality and service above all.
